Speaking from Real Life

Jesus' way of teaching starkly contrasts with that of the scribes, as seen in the Gospel reading. The scribes, though knowledgeable, lacked the ability to connect deeply with the common people. Their teachings often hovered in the realm of theory, detached from the lived realities of those they were meant to guide. Jesus, on the other hand, spoke from real life. His authority was rooted not just in knowledge but in experience and empathy. He spoke of the Kingdom of God using parables and examples that resonated with the everyday experiences of His listeners.

This approach made His teachings accessible and transformative. It wasn't about complicated theological arguments but about truth presented in a way that reached hearts and minds. In our own lives, when we share our faith with others, are we speaking from real life? Do we connect our understanding of God's word with the practical realities people face every day? Speaking from real life means making faith relevant and accessible, just as Jesus did.

Eucharistic Reflection: In similar fashion, Pope Saint John Paul II reminded us of this ongoing presence when he repeated to us the words of Christ: I am with you always, to the end of the age (Mt 28:20). He proclaimed: "This promise of Christ never ceases to resound in the Church as the fertile secret of her life and the wellspring of her hope. As the day of Resurrection, Sunday is not only the remembrance of a past event: it is a celebration of the living presence of the Risen Lord in the midst of his own people."3

Women's Retreat - Hold On To Hope! Co-sponsored with the

DWC Office of Evangelization and Catechesis. Presented by Sr. Sallie Latkovich, CSJ March 8-10, 2024. St. John XXIII Pastoral Center Charleston WV.

The focus of this retreat will be on HOPE! We will reflect together on the experience of hope in each of our lives, remembering that the single source of our hope is in God, and relying on the Scriptures

that provide us hope. We will be renewed in the call to be bearers of hope in our families, our Church, our world. May we indeed hold on to hope.

Transitions: Danger or Opportunity via Zoom

Saturday (March 9) - 8:15 a.m. - 3:15 p.m.

Questions: email Sister Carole Riley, C.D.P., Ph.D. at wviscr@aol.com

During life transitions, we often find ourselves in what is known as "liminal space." The word liminality comes from the Latin word "limen" which means threshold. New thresholds or being in some form of transition (geographical, emotional, physical, or situational) describe the life experience for all of us. Understanding how to experience the transition process healthily can make a difference in whether we see the transition as an opportunity or a threat/crisis. During this Zoom conference, we will explore the work of several noted theorists whose work on healthy transition can serve as a guide.

Donation: Suggested donation for this program is \$50. Partial scholarships are available by emailing the WVIS Executive Director at wviscr@aol.com

Religious Education

Order of Christian Initiation of Adults (OCIA)

January 28 - Evangelization

Our topic in this session is on *Evangelization*. The word we use to refer to this process of passing on the faith to others, and it can only be done from one person to another. The institutional church can't do it for us.

Next weeks lesson:

February 4 - The 10 Commandments

Walking with Purpose (WWP)

Lesson 8 - "What is Grace and What Difference Does it Make?"

Grace is favour, the free and undeserved help that God gives us to respond to his call to become children of God, adoptive sons, partakers of the divine nature and of eternal life".

**** Please note will meet via Zoom.****

Forgiven

Join us for a 3-week, video-based study on formed.org. **Forgiven** is a beautiful presentation of the transforming power of Confession. No matter what you have done, no matter how long you have been away, Jesus is waiting for you in the Sacrament of Reconciliation

Wednesday, January 31

Join the YM in praying for our students and chaperones preparing to attend Mount2000.

Students, chaperones, and their families will be praying the **Divine Mercy Novena** and **Chaplet** together for 9 days leading up to Mount2000 retreat.

You are invited to:

Pray along with us
Starting January 24th

The Woman's Prayer Group

The Woman's Prayer Group will meet Thursday at 10:15 am.

From Mother Teresa:

**"Only one secret:
The closer we come
To Jesus,
the better we
will know his thirst."**

In case of an emergency and a priest is needed, please call:

In case of illness: Please call the parish office to let us know if you, a family member, or a parishioner is sick. We can place your name on the prayer list. If requested, Fr. Sebastian will arrange for distributing Holy Communion in the home.

Nursing homes, rehabilitation centers and anyone who is hospitalized

are not permitted to contact the church. If someone you know is in the hospital, please call the church office.

In case of serious or life threatening sickness or the actively dying: The church should be contacted as soon as possible. People deserve the opportunity to confess their sins, profess their faith, be anointed, and receive Holy Communion – the foretaste and pledge of eternal life. PLEASE don't wait until after the person is unconscious or so sedated that he or she cannot communicate. It is imperative with current situations, that there be enough time for Fr. to go through the appropriate protocol to visit the actively dying.
