This unique Archdiocese is faced with many challenges, including a severe shortage of Catholic priest-chaplains, a flock spread out among military installations across the world, and constant transition. The AMS receives no funding from the military or the government and must rely solely on private donors. Catholic service members and their families, and veterans cared for in a Department of Veterans Affairs Medical Center, deserve the same faith opportunities as Catholics here at home; their faith should not be part of the sacrifices they make.

In case of Illness: Please call the parish office to let us know if you, a family member, or a parishioner is sick. We can place your name on the prayer list. If requested, Fr. Sebastian will arrange for distributing Holy Communion in the home.

Nursing homes, rehabilitation centers and anyone who is hospitalized are not permitted to contact the church. If someone you know is in the hospital, please call the church office.

In case of serious or life threatening sickness or the actively dying: The church should be contacted as soon as possible. People deserve the opportunity to confess their sins, profess their faith, be anointed, and receive Holy Communion – the foretaste and pledge of eternal life. PLEASE don't wait until after the person is unconscious or so sedated that he or she cannot communicate. It is imperative with current situations, that there be enough time for Fr. to go through the appropriate protocol to visit the actively dying.

Thanksgiving.

If you find yourself without a place to go, we welcome you to gather with us on Thanksgiving.
