**Prayer in the Parish Community**

**Prepare for Mass well:** approach the communal moment of the Eucharist with a brief personal preparation in silence that helps you step out of the hectic pace of daily life to reflect on the mystery you are about to experience. You can pause in front of the tabernacle, for a few minutes, where the Blessed Sacrament is present, recognizing that He will soon make Himself present on the altar, giving Himself to us in His true Body. It would also be very helpful to read beforehand the passages of God's Word that will be proclaimed in the liturgy.

In case of Illness: Please call the parish office to let us know if you, a family member, or a parishioner is sick. We can place your name on the prayer list. If requested, Fr. Sebastian will arrange for distributing Holy Communion in the home.

Nursing homes, rehabilitation centers and anyone who is hospitalized are not permitted to contact the church. If someone you know is in the hospital, please call the church office.

In case of serious or life threatening sickness or the actively dying: The church should be contacted as soon as possible. People deserve the opportunity to confess their sins, profess their faith, be anointed, and receive Holy Communion – the foretaste and pledge of eternal life. PLEASE don't wait until after the person is unconscious or so sedated that he or she cannot communicate. It is imperative with current situations, that there be enough time for Fr. to go through the appropriate protocol to visit the actively dying.
