

## Late Bloomers

FR. JOSEPH JUKNIALIS

**H**uman beings grow and mature at different paces. Turning twenty-one is no marker of maturity. We've all known the ten-year-old whom people say is already an old man because of how he thinks and acts. Just as surely, we've known the forty-year-old who still acts and dresses like a teenager. If this is true with human growth, would it not be true as well with growth in faith?

This Sunday's parable of the landowner who pays all his laborers the same even though they have not all worked the same amount of time often sparks the comment that it's not good business sense. But the parable is not about business. It's about how we all come to faith at different times in life, all according to God's plan, not ours. Why then do some complain about deathbed conversions as being unfair? Who's to say when someone finally catches up to God's love and goodness? Too often human wisdom and divine wisdom spin in different worlds.

Pope Benedict XVI once commented on this Gospel's wisdom and how we should be patient with young people as they seek the sacraments. Jesus was patient with us, he said, so we should follow his lead. Federico Lombardi, SJ, the Vatican spokesman for Pope Benedict, reported that the pope had commented, "I used to be more strict about this, but the example of Christ led me to become more welcoming in cases in which, perhaps, there is not a mature and solid faith, but there is a glimmer, a desire of communion with the Church." ●

[The LORD said,]

"As the heavens are higher than the earth,  
so are my ways higher than your ways,  
my thoughts higher than your thoughts."

ISAIAH 55:9

Welcome! Our catechists are overjoyed for the opportunity to serve the families of Sacred Heart Parish this 2023–24 school year. Welcome to all the families returning for another year, welcome to those families that have been away from the program for a while, and welcome to all brand-new families joining our program for the first time!

Each year, the Catholic Church in United States designates the third Sunday in September as “Catechetical Sunday” a day on which we celebrate and pray for the church’s mission to teach the gospel to all people. As we celebrate a new beginning, the beginning of a new catechetical year, let us open our hearts, open our minds to God’s word, to His son Jesus Christ, to the Holy Spirit, and to one another.

This year's theme is: "Come to me all you who labor and are burdened." With these words from the Gospel (Matthew 11:28), the Lord Jesus offers an invitation to follow Him and the promise that He doesn't want to add to our burdens; he wants to lighten them. This theme reminds us that the object of all catechesis is Jesus himself. The role of the Catechist is, first, to be a disciple - one who draws close and rests in Jesus - and then to be a witness to others and a companion as they too come to know Jesus.

Our catechists will strive to make their time spent with the children as interesting an inspiring as possible. They will do their best to teach the lessons, to pray with students, and to involve the students in activities that will build their faith.

We believe faith formation to be a continuous lifelong process, and that the parents are the primary teachers of their children. As being your child's primary teacher, please join in our mission by:

- attending mass each weekend with your child
- Praying daily with your child and as a family
- Promoting regular attendance at Faith formation classes
- Asking your children what they've learned after each faith formation class
- Sharing your faith your own way with your child

Catechetical Sunday also offers an opportunity to recall that all the Baptized have roles in handing on the faith in their daily life, families, work, and church involvement. There will be various opportunities for adult faith formation this year, especially programs focusing on the Eucharistic. We encourage all adults to participate in these opportunities and support the programs offered.

We look forward to walking this journey of faith with you, and we need and appreciate your prayers of support!

Let us pray:

### **Prayer for Catechists**

Loving Father, we pray for our catechists. We thank you for their gift of ministry in your Church. Grant them your wisdom that they may grow in the understanding and teaching of your Word. Grant them also your love that they may be fruitful heralds of your Word and lead others to love you. Pour forth your Holy Spirit upon them to grant them wisdom about what is important; knowledge of the truths of faith; understanding of their meaning; right judgement about how to apply them in life; courage to persevere even in the face of adversity; reverence before all that is sacred and holy; and that loving zeal which leads others to a transforming encounter with your Son. We pray this through Christ, our Lord. Amen.

## Here's What The Saints Want You To Know About The Rosary By Becky Roach

*"When people love and recite the Rosary they find it makes them better."*  
- St. Anthony Mary Claret

All Catholics are called to be saints. If we genuinely want to grow in holiness, we must study the lives of the saints who have gone before us to learn what habits, virtues, and values guided their path to heaven. It doesn't take long to realize that

a deep [devotion](#) to Our Mother and praying the Holy Rosary frequently were essential parts of the lives of the saints.

## OCIA

We are thrilled to have you join us for the OCIA program. Our first session will take place on

**September 24th at 9:30 a.m. We will meet in Narthex to move to classroom**

Together, we will embark on an inquiry process that will delve into the Catholic faith and its teachings. This is an incredible opportunity for you to learn more about the faith, ask questions, and connect with others on a similar journey.

We look forward to seeing you there and can't wait to share this experience!

During this journey, participants

- **learn about the Catholic faith,**
- **engage in various rituals and liturgies,**
- **and ultimately receive the sacraments of initiation (Baptism, Confirmation, and Eucharist).**

Through this process, individuals can deepen their relationship with God and

become more fully integrated into the Catholic community. This journey is personal and transformative, and it's an opportunity for individuals to grow spiritually and embrace the Catholic faith.

**Eucharistic Reflection:**  
 Jesus is Calling Us Deeper

**HE PROMISES TO RESTORE  
 AND RENEW HIS PEOPLE**

Our world is hurting. We all need healing, yet many of us are separated from the very source of our strength. Jesus Christ invites us to return to the source and summit of our faith in the celebration of the Eucharist. The National Eucharistic Revival is a movement to restore understanding and devotion to this great mystery here in the United States by helping us renew our worship of Jesus Christ in the Eucharist.

**Blessing Prayer**

*In your loving kindness, O good and gracious God, you sent your Son to be our shepherd and guide. Father Sebastian continues Christ's ministry of working in the vineyard by sus-taining and guiding your holy people. Bless Father Sebastian. Let your Spirit uphold him always in his service to the people of this parish. We ask this through Christ our Lord. Amen*

**THE SISTERS OF THE INFANT JESUS** (SJI) is a Religious Congregation of women founded in Gweru, Zimbabwe in 1950 with members making a vowed commitment to love and serve God and His people. We are a group of women numbering 232 professed members and 25 in initial formation stages.

The sisters work to empower women, children and the vulnerable through education, health care and social work. The Sisters are involved in pastoral ministries, teaching and nursing, as cooks, administrators and also in pastoral projects that address the needs of the poor and vulnerable, especially women and children who are orphaned or handicapped.

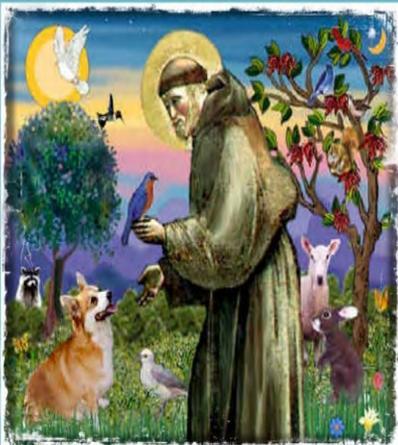

Zimbabwe's economy has been in serious decline for the past 23 years and currently most organizations and industries have been forced to close. Like other organizations operating in such an environment, the SJI Order struggles to meet its financial obligations due to limited sources of income for the Order and its works. The Community is financed by the income from sisters' salaries and by grants from funding partners when they are available. This income however, falls short of the costs associated with running of the Order and our commitment to help the poor and vulnerable in the remotest parts of Zimbabwe.

Your continuous prayers and generous financial contributions will be greatly appreciated.

**Sr. Maria Rukwishuro SJI will be speaking at all Masses the weekend of  
September 30- October 1, 2023. God Bless!**

# Pray for Vocations

## Prayer for Vocations

Heavenly Father, We ask you to bless our diocese with selfless hearts that are willing to serve You, by serving Your Church.

Lord Jesus raise up from our homes those called by the Father: courageous and humble men to the Priesthood, faithful people to Consecrated Life and holy men and women to the sacrament of Marriage.

Holy Spirit, help us to live our universal vocation to holiness, by listening to the Father's voice and responding with a sacrificial love.

Holy Mary, Model of Vocations, teach us to hear and follow your Son. Holy Mary, Queen of Priests, sanctify our priests and obtain for us many more. Holy Mary, Mother of the Church, pray for our families and intercede for our children.

Amen

### The Traveling Vocations Crucifix

The Traveling Vocations Crucifix is a wonderful way to unite our parish community in perpetual prayer for more priestly and religious vocations.

We are encouraging families and individuals of our parish to sign-up to take home the Traveling Vocations Crucifix. Every weekend the crucifix will travel to a different home where it will be enthroned in a highly visible and safe place for all to pray daily for the increase of vocations.

During this week, we encourage families and individuals to talk about vocations and to treat the Crucifix respectfully, like all sacred objects.

Thank you for your commitment to pray for vocations for a week.

We ask that the Crucifix be returned the next weekend so that it is available for the next person who signed-up.  
(Sign-up sheet is in the Narthex)

# Dear Padre,

*When can I take photographs in church? During my niece's baptism, I was told to put my camera away. We have a confirmation and a wedding coming up, and I don't want to get in trouble again.*

Reverence and courtesy are the issues here. Reverence keeps in mind that what is real about baptism and all the sacraments does not come out in photos. Courtesy notes that other folks are trying to enter into the awe and joy of the mystery, and people taking photographs can get in the way or distract.

Parishes differ in rules and regulations. Many parishes prohibit the taking of pictures. Certainly taking flash pictures is annoying in a way that taking available-light photos is not. But even with nonflash pictures, the photographer is trying to get around people and into a good spot.

Weddings call for photos from approved photographers. In most United States cultures, photos at funeral Masses are out of place. However, there are exceptions, such as the situation of an infirm woman who was unable to attend her sister's funeral. She was extremely upset until her niece thought to record it with her phone. The pastor had no problem with this solution.

No matter what the situation, it is always best to check with the parish office before the event. If it is permitted, get a few good pictures and then be sure to close your eyes in prayer so you can see what is really going on. ●

### A WORD FROM POPE FRANCIS

*Jesus wants to make us contemplate the gaze of that landowner: the gaze with which he looks upon each of the laborers searching for work and calls them to go to his vineyard....It is a gaze which calls, invites one to get up and begin a journey because he wants life for each of us.*
